We've Only Just Begun to live...
White lace and promises, a kiss
For luck and we're on our way.

We've Only Just Begun. Before
The rising sun, we fly. So
Many roads to choose, we start
Out walking and learn to run...
And yet, we've just begun.

Sharing horizons that are new
To us, watching the signs along
The way, talking it over just
The two of us, working together,
Day to day...together.

And when the evening comes, we
Smile. So much of life ahead,
We'll find a place where there's
Room to grow...and yes
We've Just Begun.

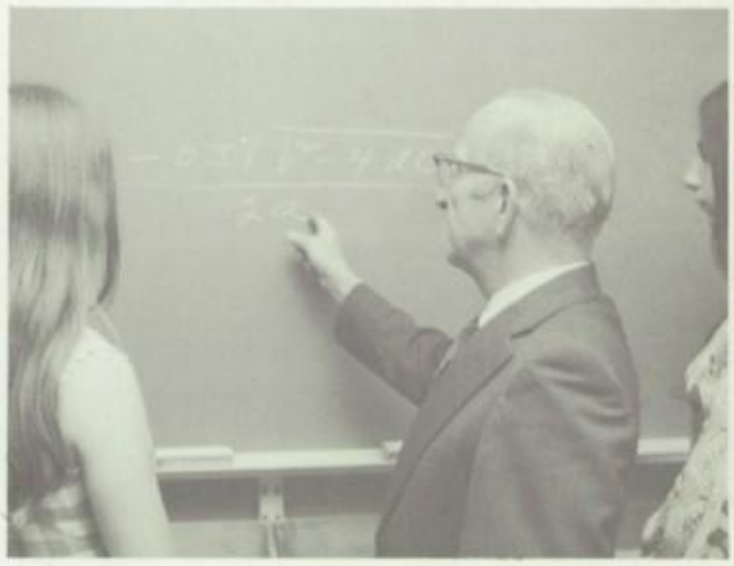
What's a lovable physics instructor doing teaching math?

Mr. John Sharpe, with his unique teaching styles, contributed much to the teaching process. All whom he influenced were benefited as he imparted both wit and wisdom to his students. His absence will be felt; but after 42 years of devoted public school teaching, an indebted community offers a grateful thank you and best wishes for his future years of relaxation.



"Now sis, let's get this quadratic formula straightened out."

You'll meet me where?

Here I stand like a perfect idiot-one shoe, no shirt-and he's over there flirting with the gym teacher!

Admiring a model of the sailboats used in the Marshall Islands are: Lyniece, Mrs. Over, Korap, Mr. Over, and Cindy.

NORTHERN BEDFORD WELCOMES STUDENT

During the 1971-72 school year, Northern Bedford County High School welcomed to the student body Korap Nemra from the Marshall Islands. During his year's stay, Korap lived with the Alton Over family in Woodbury.

At NBC, Korap was a member of Student Council. Having an interest in sports, he participated in Junior High Baseball.

Outside of school, he was amazed at the size of the country and the weather--not being used to temperatures below 82°. Before coming to Woodbury he had never been involved in farming, but now he finds it one of his main enjoyments.

To all at Northern Bedford he will be remembered as a quiet, fun-loving visiting student.

Best wishes from all Northern Bedford students.

One of his dislikes -- homework!

Being very athletic, Korap participated in Junior High Class vs Class.

Cindy, Korap, and Lyniece enjoy playing cards on a rug which came from the Marshall Islands.

FOOTBALL

The football squad repeated its outstanding performance of the previous year by posting an 8-1 record. Coach Yaccino displayed his gridiron superiority by trouncing all opponents on the schedule except the larger and more experienced Central team. Hard work, precision drilling and learning to work as a team were the key factors in this year's successful season.

Finishing the season with a notable 16-6 record, the team also captured the class C county title and third place in the district, which earned them the right to compete in the state playoffs.

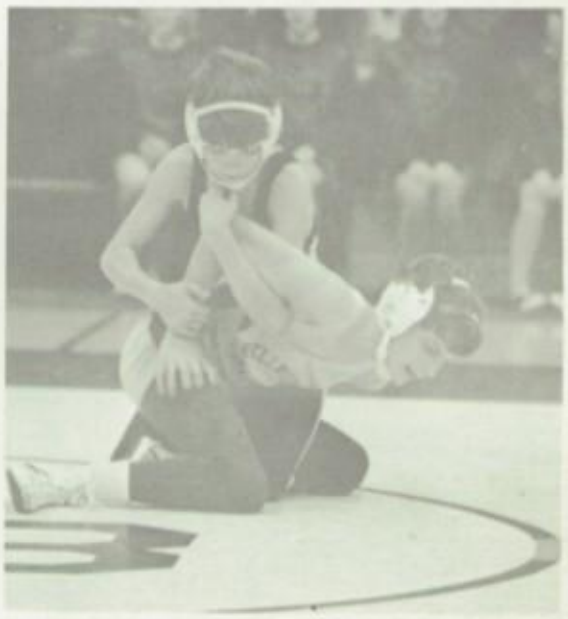
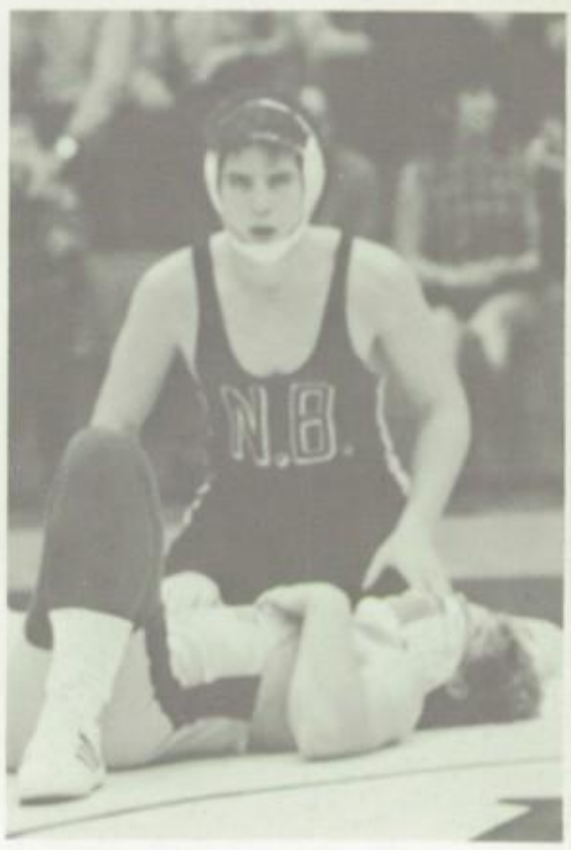
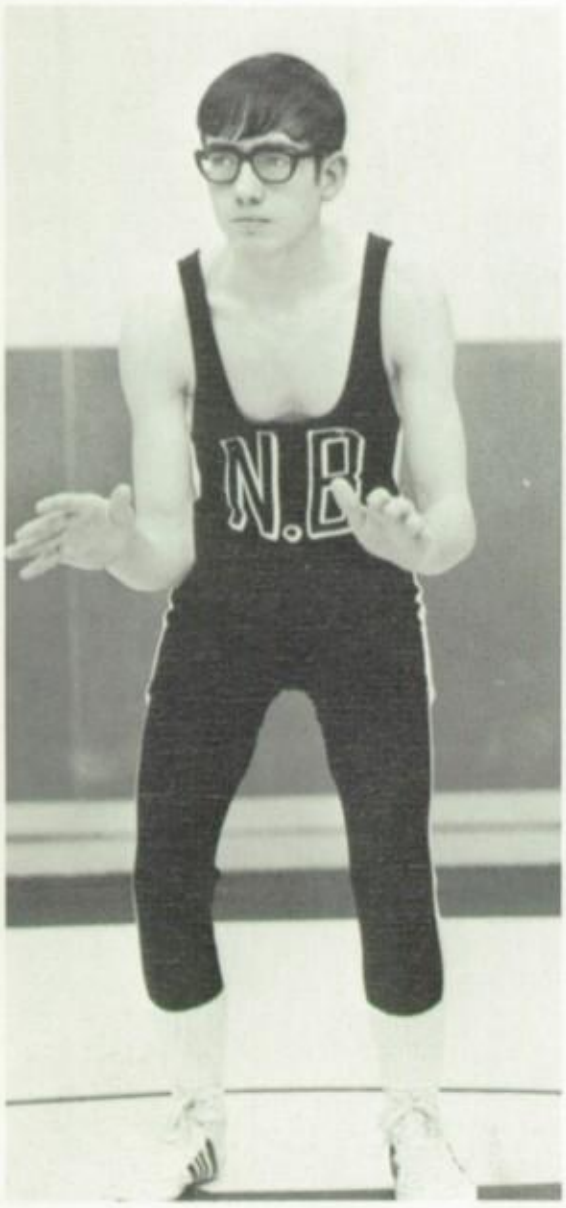
WRESTLING

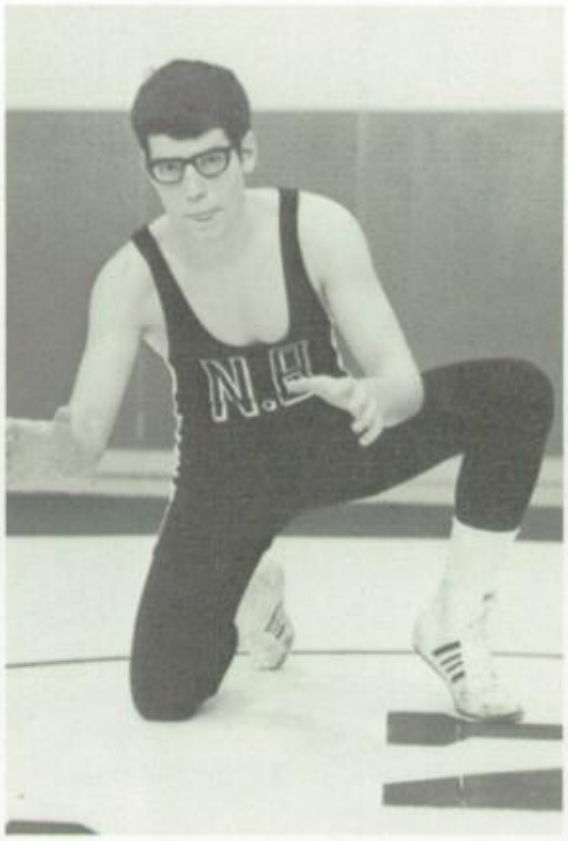


The wrestling squad suffered defeat at the hands of nine opponents this season while winning only five. This figure was due largely to the inexperience of underclassmen in the lineup. With only three seniors starting full time, this season could be termed a rebuilding year. A promising crop of juniors should provide plenty of excitement in '73.

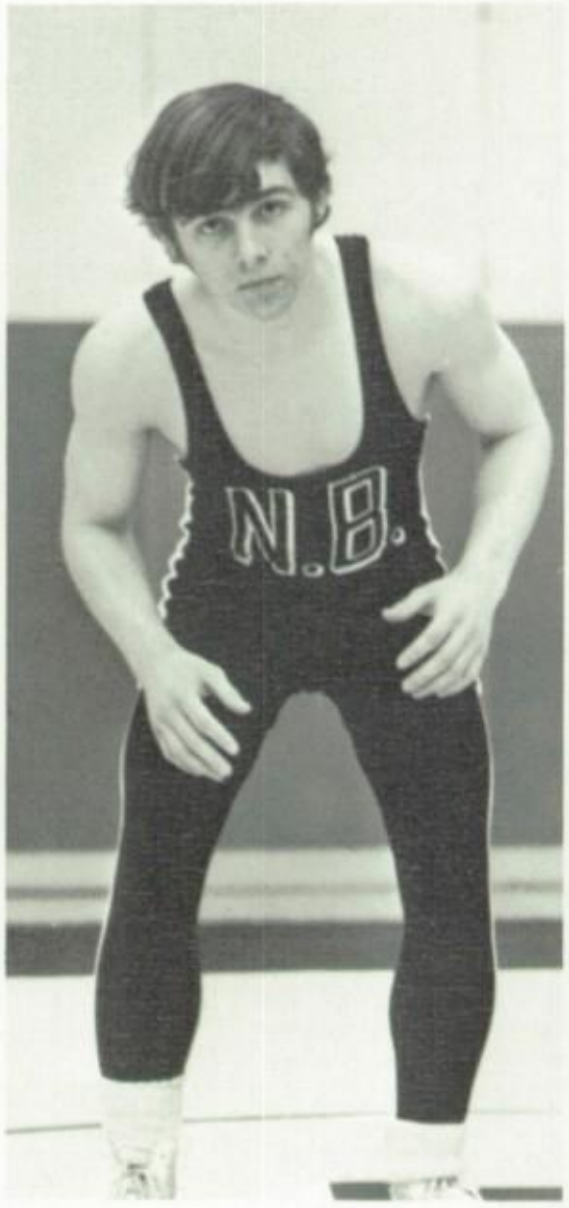




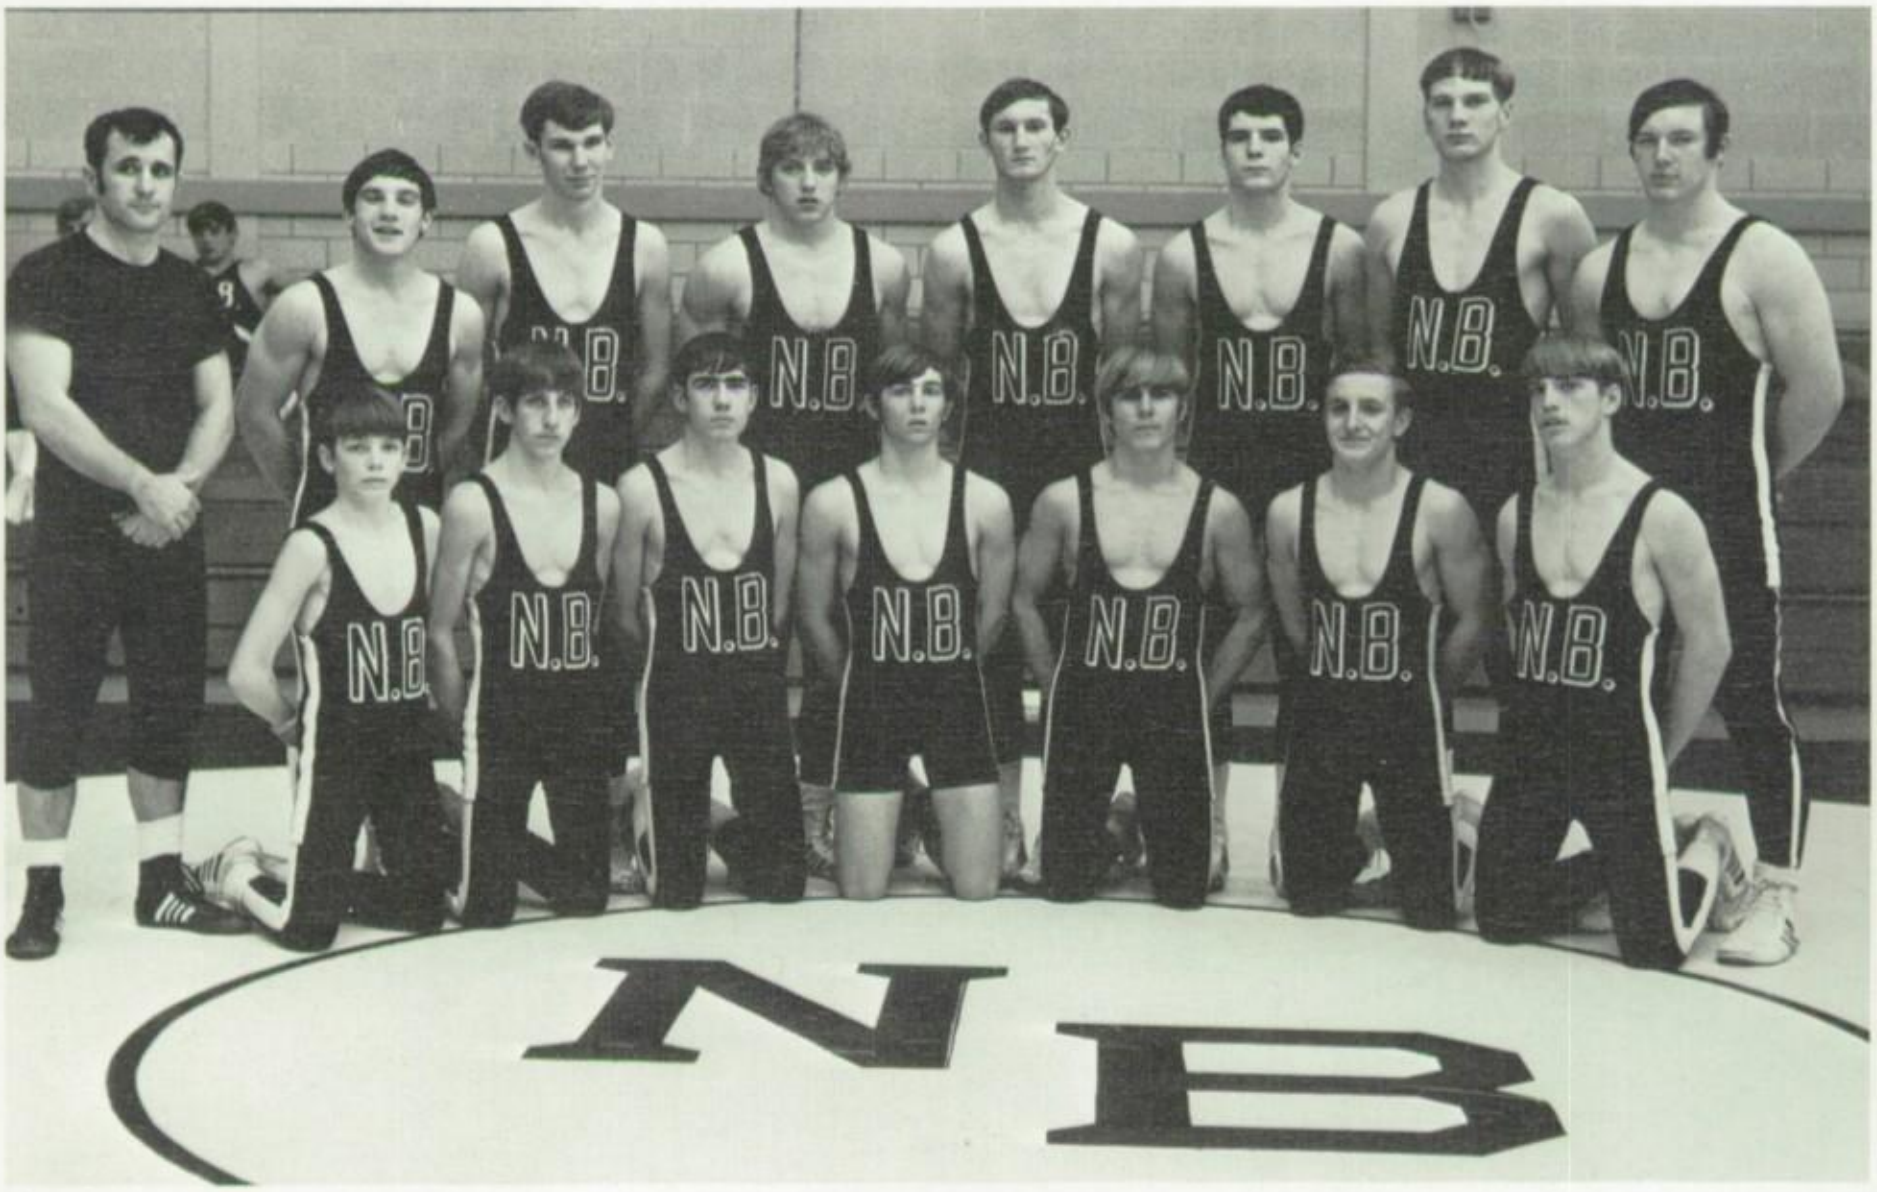
Eric Clapper 112 lb.



Team captain Den St. Clair posted a 12-2 mark for the season and was runnerup in the District 5 tournament. He led the team in falls with 7. Seniors Eric Clapper and Larry Graffius closed the season with 4-8-1 and 9-5 records.



Larry Graffius 120 lb.



GIRL'S BASKETBALL

"Hi mom!"

In their first season the "Pink Panthers" compiled a record of 4-6. Although very inexperienced, the female dribblers were anything but feminine on the court. Several tough county opponents were on the lookout for this squad of fast-breaking, sharp-shooting girls. The junior varsity team, finishing with the best JV record in the county, says look out next year!

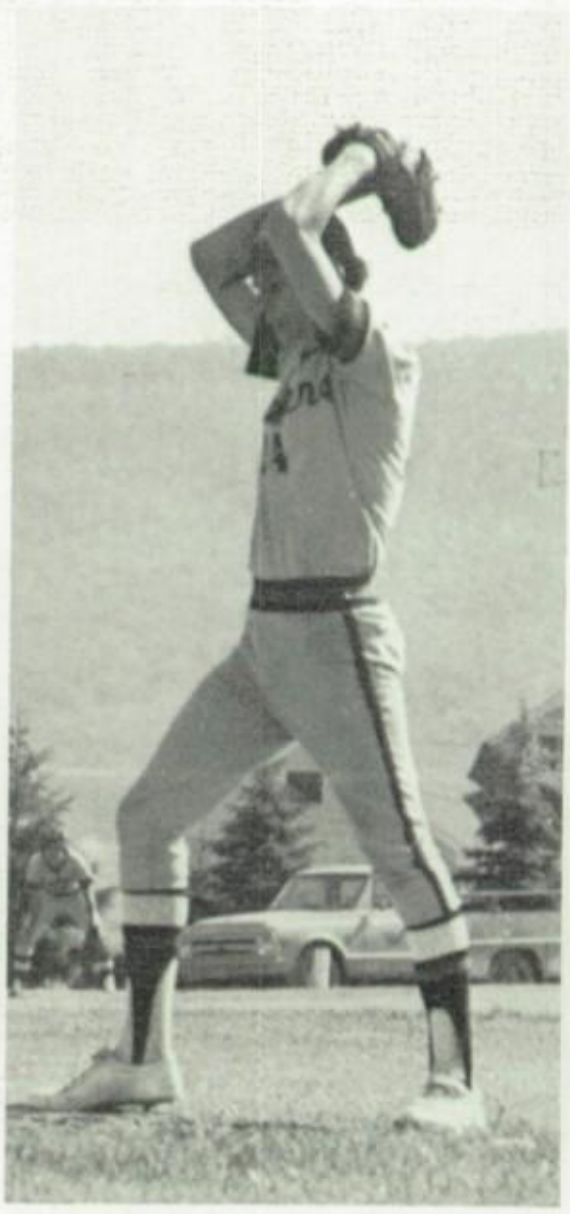
Combining skill, speed, hitting, and just plain "heads up" ball playing the Panther baseball team provided plenty of excitement on the diamond during the spring of '72. Coached by Mr. King and Mr. Miller, this excellent group of dedicated athletes were first place in the county throughout the entire season. Continuing in their winning ways, they racked up two more victories to capture the District 5 championship.

Much of the baseball team's success can be attributed to the pitching staff headed by ace Steve Elbin and southpaw Dirk Barkman. Tremendous relief performances by Dana Meck with help from Joe Wachter rounded out the illustrious list of Panther hurlers.

Without a doubt Northern Bedford experienced its best year for spring sports this year. For the first time in the school's history the baseball team won the county title while at the same time the track team had its best season yet defeating rival county schools in dual and triangular meets only to have their hopes shattered in the Bedford County meet by being nosed out of first place by 2 1/2 points. The spring of '72 will long be remembered as the first in a series of many great years of spring athletics.



The track team from NorBedCo opened a few eyes and surprised a few more by putting it all together this spring. Coach McCahan and Yaccino have been building this team as they have the championship football team: lots of hard work, perfecting fundamental skills, and developing a sense of pride in themselves. This philosophy has paid off in the exceptional showings that NBC's track team made this year. The list is long of broken records in track and field events this season. Contributing greatly to the team's success were captain Den St. Clair and seniors John Snider and Darwin Imler.

SENIORS ROW 1: Todd Pressel, manager; Ron Eshelman, Sam Snider, John Hall, Steve Smith. ROW 2: Rick Mearkle, Bob Kagarise, John Snider, Darwin Imler, Dennis St. Clair.

Jr. High Football

Junior Varsity teams had exceptionally good seasons this year and deserve some recognition. It is through JV action that varsity teams are built. Valuable experience is gained through participation in JV sports in actual game conditions. Judging from the success of this year's junior varsity performances, we can look forward to another year of great athletics at Northern again next year.
